DISHEARTENING.

Operators' and Miners' Conference Will Come to Naught.

Alone in Holding Out Against Con-promise. The Operators Express Great Confidence of a Settlement.

COLUMBUS, O., June H .- The question on everybody's lips here Sunday night was "Will the strike be settled Monwounded. The deputies were again for the benefit of mankind in though this joint conference will result aded and fired upon by the general. They are happy because the in naught. The rule that a settlement scenes of war and confusion will now must be general and affect all districts

as though no settlement could be It developed Sunday evening that reached, and now that it has been after all President Adams, of the Ohio four workmen, who are employed at the Valley works of the Frich Co., and were on their way home at Leising-ing.

The Valley works of the Frich Co., and were on their way home at Leising-ing.

It will be received by the mass of the mass of the miners. Indeed, it is feared that the are equally firm in opposition to it. It when they stepped off the train the mole surrounded them and marebed them away. The four men were covered over with chalk and hig placards, fuse to accept anything save a basis of the outfit of every American was

> The miners' side of the scale commitheld a secret conference Sunday, but what was done in it can not be in Germany is \$105 per acre, in France, learned. While the operators are willing to talk to some extent the miners say for publication. One of the most prominent officers of the Mineworkers' unions stated confidentially Sunday evening that he did not believe a settlement would be reached Monday, and he feared none would be attained by

this conference This places the matter in a very discouraging light, and there is vigorous endeavor on the part of advisers of the miners to induce them to yield to a compromise. Another prominent offieer of the mine workers expresses the same opinion as that given above.

on the operators' side great confi-dence is expressed that a settlement will be reached on the basis proposed. One big operator said that he had no doubt that Monday's meeting would bring the strike to an end.

Notwithstanding this statement it is learned that Pennsylvania operators declare that the promises made by the operators from that state now here are without authority. There is one thing certain, according to the belief of every individual in a

position to form an intelligent opinio and that is, if this conference fails it its mission, there will follow the mos-The loss of life that will follow causes a shudder at the thought. The conference is the critical pivot upon which turns this question, and realizing, as everybody does, the extreme gravity of the situation, all the coun-

silors of both operators and miners the United States. are using every whit of influence to the only encouraging feature of the over \$100,000 a year. lieved that the members of the scale furtle "is not an animal, but a reptile avoid the calamity sure to follow a dis- Cencennary, Covington and Newport
